Dear Friends,

The Y is a cause dedicated to youth development, healthy living, and social responsibility. From exercise to education, child care to preventative health, swimming to addressing hunger, the Y doesn’t just strengthen bodies – we strengthen our community. And when our community faces obstacles, we see opportunities to make a difference.

We believe it is our responsibility to care for our neighbors, and we are grateful to our members, donors, volunteers, and staff who help us live out our mission. Together, we inspire children and teens to reach their greatest potential, we tackle our community’s greatest health challenges, we improve the quality of life in our region, and we ensure access and inclusion so that everyone has a chance to succeed. Together, we achieve so much more.

As we reflect on 2022, there is so much good news. Our Y continued to answer the call as we have for nearly 140 years, leading efforts in the community to support people at every age and stage of life. Whether it is caring for our youngest members, supporting youth and families with access to healthy food, connecting those in crisis to life-changing resources, or engaging older adults in health and wellness programs, we are here.

Here are a few highlights from a great year of Y work:

- Membership grew by more than 5,000 members, as we recovered to a total of 21,000 members.
- The new 24/7 facility access program was fully implemented and grew to serve more than 1,700 members.
- The Flexible Pricing Program made the Y accessible and affordable to more of our friends and neighbors than ever before, as we provided $1.7 million in direct financial assistance.
- Our Y received a gift of land in Holmen, donated by Thorud Development LLC (Ben Thorud and Julie Adrianopoli), for the future development of a Y.
- A new Esports program was launched.
- Our partnership with Gundersen Health System was strengthened and expanded, as GHS moved to its new Physical Therapy Space within the Houser Y.
- A new warm pool, made possible thanks to the generosity of Eric and Vicki Wheeler and many others, opened at the Houser Y.
- A new male locker room and temporary female locker room were completed at the Dahl Y and opened for members.
- Our Community Health Worker team continued to grow as we positioned ourselves to support more of our most vulnerable neighbors.
- We delivered more meals and snacks to the community than ever before, as we continue to address hunger in the community.
- Our development and philanthropic efforts were more successful than ever before, as we introduced new events, brought together new donors, and shared the many ways the Y impacts our community.

We remain passionately committed to exploring new ways to serve and inspire our community. We look forward to an even more exciting 2023, and we invite you to join us as we accept the new challenges that lay ahead.

Yours in service,

Jackie Kuehlmann
Board of Directors, President

Bill Soper
Chief Executive Director
OUR MISSION
The La Crosse Area Family Y is a non-profit organization dedicated to enriching our community by promoting physical, mental and spiritual well-being for all.

23-24 Past Leadership
Both YMCA branches provide space for health, wellness, friendship and growth. In 2022, with the generosity of YMCA donors and community partners, The Y's facilities grew bigger and better. The Dahl Branch completed construction on fully remodeled locker rooms and workforce training and development spaces. At the Houser Branch, the Wheeler Warm Pool opened, along with a new physical therapy clinic in partnership with Gundersen Health System. New steam and sauna spaces opened at both branches. Our members have enjoyed the new and improved spaces, and our Y extends our gratitude to all who “pardoned our dust” throughout the construction process.
The new saunas and steam rooms are gorgeous! I love using them to destress. The steam room and sauna have helped me realize how important mental health is and having quiet time. 

Abigail M. – Y Member

NEW PRIVATE CHANGING ROOMS AT THE DAHL Y IN LA CROSSE.

NEW STEAM ROOM AT THE DAHL Y IN LA CROSSE.

NEW SAUNA AT THE DAHL Y IN LA CROSSE.
The Y sparks real change for youth and communities by providing the social, emotional, academic, and physical opportunities for children of all backgrounds to become the change makers their communities need to build a better tomorrow.

From preschool and camp to STEM and sports, the Y steps up to impact children and teens in ways no other organization can.

The YMCA works side-by-side with families and neighbors to support and guide children on their journey to becoming competent, confident, connected, and compassionate adults.
All children deserve a warm, welcoming, and inclusive learning environment, full of the engaging experiences and high expectations that empower them to strive and thrive in school, inspire them to make life-long friends, and ensure they feel connected to a community that cares.

The Y’s Child Care Programs create personalized hands-on, project-based investigations in a way that nurtures curiosity, invites exploration, and sparks a love of learning with the thrill of each new discovery.

For older children, the Y’s School Age Care offerings continue to accelerate learning, building strong study habits, creativity, and critical thinking skills so students are inspired to take on new challenges and achieve their academic goals. Physically active games built into every day ensure students get up and get moving while they have fun, build their confidence, and learn to be good leaders and teammates.

The YMCA helps me get my energy out and gives me a safe place to go after school. The teachers are always so nice and help me with my homework.

33% of families struggle to access certified childcare.

1,220 children enjoyed the Y’s curriculum-based child care programs.

384 children received high-quality childcare their families could not otherwise afford thanks to community support.
Y Mobile Market provides free healthy meals to individuals and families. Under leadership from Courtney Kramolis, Y Food Program Director, we were able to significantly grow our food program to include a food pantry and mobile market, providing healthy meals and nourishment to underserved neighbors.

Courtney has partnered with the local Salvation Army and Hunger Task Force to be able to provide meals throughout the community. She coordinated volunteers to deliver meals to our 10 summer school age care sites, and to 11 other locations to reach those that needed it most.

Our Food Program partnered with the Y’s Community Health Workers and Community Youth Center to ensure families served by our Y did not need to worry about where their next meal was coming from. The Mobile Market Food Pantry, in partnership with Hunger Task Force, delivered regular food boxes which included food recipes, hygiene items and cleaning supplies to our community’s most vulnerable families.

Our Food Program team is driven to feed our community with compassion and without stigma, offering hope and encouragement to anyone in need of a meal.

More than 1 in 5 youth do not know where their next meal will come from. That equals 4,916 youth in La Crosse County who cannot depend on a meal at home.

200,000 free meals and snacks were provided by the Y to youth and families in our community.

I just don’t want people to feel hungry.

Courtney Kramolis – Y Food Program Director
All children deserve a warm, welcoming, and inclusive environment, full of activities and engaging experiences.

In September of 2022, our KidZone spaces, formerly known as the Family Fun Center, reopened at both branches to enhance family offerings at our Y and to provide a drop-in care option for children ages 7-11.

While the space is staffed, families can drop off their children for supervised play time. At the Dahl Branch families can enjoy the spaces together while they are not staffed.

At the Houser Branch, our KidZone space is open for drop in care during staffed hours, and outside of those hours the space is shared with Project Live, a Holmen School District program where young adults work towards successful transitioning to independence in the areas such as daily living, recreation and leisure, social skills, workforce training, and more.

"We absolutely LOVE the new KidZone space. It has many new activities for my children, most of which are low-sensory and work for all ages. Thank you for updating this space!"
Youth served by the Y’s Community Youth Center participated in the three month culinary competition in partnership with The Good Fight Community Center. This challenge gathered a team of youth together with cooking instruction, practice and competition, instilling in participants valuable life skills that can be found in the kitchen.
Friday Night Lights provides a space for youth to practice and compete in the fundamental skills of basketball. But for our program, it is so much more than basketball. It is a classroom for teamwork, communication skills, rapport building, and socialization skills. It provides a healthy outlet for our youth, keeping them engaged and growing as both players and community members.
As humans, passion can motivate us, delight us, and even humble us. We experience those emotions first-hand every day in the eyes, smiles, and sometimes tears of those we serve. From the recipients of kindness to the givers of abundance, the passion that inspires them is the bond we all share. We are blessed by the contributions of time and resources as well as the partnerships, collaborations and other acts of goodwill that make a difference in the heart of our community.
The Y is a cause for strengthening communities, committed every day to youth development, healthy living, and social responsibility.

For 140 years, the Y has been a leading voice on health and well-being in our community. With a mission centered on balance, the Y brings families closer together, encourages good health, and fosters connections through fitness, sports, fun, and shared interests. As a result, thousands of youth, adults, and families are receiving the support, guidance, and resources needed to achieve greater health and well-being for their spirit, mind, and body.

We are honored to award Shannon Riley, Gundersen Health System’s Healthy Living Center Program Manager with the Healthy Living Award. Shannon exemplifies healthy living in her own personal and professional life throughout the Healthy Living Center. She sets a wonderful example to her staff to create a good work-life balance. She is always advocating for the Y and sharing all the great things the Y has to offer to its members. She has worked incredibly hard to create a booming atmosphere at the Healthy Living Center for staff and patients. She is always very thoughtful about bringing programs into the Healthy Living Center and collaborating with the Y where opportunities exist. She truly is a huge asset for the Y in all she does for members/patients to encourage their healthy living.

Shannon can be seen in the Y often—whether it be swimming laps in the pool, running on the treadmill, or volunteering to coach her daughter’s basketball team. She has given not only her time but also donations to support the Y on Giving Day. Her passion for living a healthy life—mentally and physically, plays out every day and we are so grateful to have her in our Dahl building on a regular basis. She is very deserving of this recognition for her many efforts in increasing healthy living in our Y and community.
The Ted Griffin Award is named in honor of Ted Griffin who served as the La Crosse Area Family YMCA’s Director from 1942 to 1971. This award will be given to an individual who has volunteered time, talent, and/or financial gifts to advance the mission of the La Crosse Area Family YMCA. YMCA Board Members and staff members can nominate potential recipients at any time during the year.

We are honored to recognize Jackie Kuehlmann as our 2022 Ted Griffin Award Winner. Jackie is passionate about the Y, our cause in the community, and her influence on the Y has been profound. Jackie has had a significant impact on the YMCA over the past several years serving in a variety of important roles. It started when Jackie joined the Board of Directors and the Board Leadership & Governance Committee. Soon, Jackie was chair of the Board Leadership & Governance Committee, a member of the Strategic Planning Task Force, a member of the Executive Committee, and President-Elect for the Board of Directors. As Board President in 2021 and 2022, during a very challenging time in the history of our Y, Jackie recognized the opportunity to reshape our Y and under her leadership, we introduced many new initiatives, which resulted in tremendous membership growth. During Jackie’s presidency, membership grew by nearly 9,000, 24/7 facility access was successfully launched, the expansion and renovation project at the Houser Y was completed including a new warm pool, a gift of land in Holmen was secured, Esports was launched, and our Community Health Worker team was expanded. Most importantly, the Y remained a financially healthy organization, poised for a very bright future with expanded impact in the community. Jackie’s time on the Board of Directors, her calm, steady, and strategic leadership, and her ability to influence the Y have been impressive. Jackie should be proud of the many ways she has contributed to the success of the Y.
This award was established in 1997 in honor of Nancy Quinlisk who has been a dedicated YMCA volunteer for many years. Nancy has been instrumental in developing, implementing and growing many YMCA programs that have improved the health and well-being of people in our community. This award is presented annually to honor an individual or individuals who have volunteered time, talent, or financial resources in order to advance the YMCA’s commitment to social responsibility.

Nancy Quinlisk Social Responsibility Award

Honoring
PAT STEPHENS

Recognized for his commitment to the Y, Pat provided leadership to the Y for nine years in his role as a Board Member. Pat served on the Financial Development Committee and the 2019 Capital Campaign Steering Committee. Through his role on the capital steering committee, Pat influenced and expanded the project scope and ensured the Houser Y gained a warm water pool, and both Ys added saunas and steam rooms. More recently, through his role as President of Rotary Lights, Pat secured support from the Rotary Lights Board of Directors to provide the funding to install a walk-in cooler at the Dahl Y. This walk-in cooler will greatly enhance the Ys ability to address hunger in the community. Pat certainly illustrates what it means to build strong communities.

DAHL FAMILY YOUTH DEVELOPMENT AWARD

Named for Ken and Harry Dahl, the driving forces behind the establishment of youth development programs at the Y. This award honors those who provide time, talent, or financial resources in order to advance and strengthen youth development work at the Y.

Honoring
DAN MUTCH, MIKE FLANAGAN, AND MIKE BOUSKA

With over a decade of involvement, three key volunteers have given their time, talent, and patience to make the Y Kids Tri a success for over 2,000 youth. These three individuals are Dan Mutch, Mike Flanagan, and Mike Bouska. They began their involvement in the Kids Tri back in 2009 when it first began. The idea for this event was to create a similar experience of an adult triathlon, allowing youth to swim, bike, and run just like their parents and role models. Directing 200+ youth in one pool, through one door, and out on the course is no easy feat. Time and time again, Dan, Mike, and Mike arrive before sunrise and begin setting up the course. They dedicate countless hours organizing youth into swim waves, setting up the transition area, and making sure medals are at the finish line. From set-up to take-down, they are a part of it all. Thank you Dan, Mike, and Mike for your dedication to this event, to the Y, and to the youth in our community.
Every Oktoberfest, the YMCA invites walkers and runners from across the Coulee Region to come together for the annual Maple Leaf Walk Run. The 23rd annual Maple Leaf event took place on October 1st, offering a Half Marathon, 5 Mile, 5K and Kids Maple Mile Race. This year, 1,099 participants came out for the event, our most participants since 2019. Runners ages ranged from 1 year old to 86 and over 100 participants were return-racers for their third year running in a Maple Leaf race. Sponsorships for the Maple Leaf provided $34,750 toward the Y’s Annual Campaign, while registrations and donations contributed $48,057.

We are grateful to partner with the annual Festival Foods Turkey Trot, helping promote a healthy, family-friendly event on Thanksgiving Day. Over 2,500 participants came out for the 15th annual walk/run.

The Jingle Bell Run has been my favorite local holiday season event for years now. I love seeing familiar faces participating in the event and helping out. Thanks for another great holiday season event!

Sloan Komissarov – Jingle Bell Run Participant
On July 9th, 212 youth aged 3-14 biked, swam, and ran to the finish line of the annual Kids Tri event at the Houser Y in Onalaska. The Y’s food program provided a healthy snack box to each participant and their family, and a water slide provided fun for all on a warm summer day. All proceeds from this beloved event directly support our Y Annual Campaign.

206 participants jingled all the way for the 18th Annual Jingle Bell Run. 46 kids completed the Rudolph’s Dash race, joined by Santa and two of his reindeer, with the youngest participant being just 2 years old. A new addition to this year’s race day was live music by the Y’s music program in the lobby!
On May 10, 450 friends of the Y gathered at the Weber Center for the Performing Arts for a fun-filled evening of laughter and fundraising. After a cocktail and hors d’oeuvre reception, the group gathered in the Lyche Theatre for a program featuring stories of the Y’s impact within the community, a surprise performance by the UW-L Screaming Eagles Marching Band, and Wisconsin funnyman, Charlie Berens. A great time was had by all, and $121,000 was raised to support the people and programs of the Y.

The Y extends sincere appreciation to our Presenting Sponsors Dave and Barb Erickson, and to the Financial Development Committee for their diligence in planning a fun evening for our members and friends.

DID YOU KNOW?

Each year we provide financial assistance to members of our community to ensure they have access to affordable membership rates, programs, and child care.
On October 25th and 26th, the Y held its first-ever Y Giving Day, a celebration of philanthropy which raised important funds for nine YMCA initiatives. Our Y received 435 donations for a grand total of $100,111. We are happy to report that progress has been made with each of the projects:

Our Community Youth Center art room is scheduled to have its floor refinished this spring, and the new furniture and art supplies have been ordered.

Our Gymnastics Project brought in the funds needed to order new equipment, which we are anticipating will be delivered any day. There were enough funds available to replace some of our well-loved mats.

The YOUTHSTRONG program has been amazing for me, both physically and mentally. It has been a blessing for my family and me to get to go to the Y for an entire year. Thank you to all who have already supported this program. And if you haven’t already, please consider donating to this program to help other kids to get strong in the future like me.

Jedi - YOUTHSTRONG Participant
Our **Youth Cancer Survivorship Program** has welcomed new participants, including Jack, who has begun his 24 personal training sessions with Sam. We welcomed another youth in March, and with the additional momentum for the program coming out of Giving Day, the program has been rebranded to be called “YOUTHSTRONG” to better describe the work of the program and help in recruiting additional participants. With the support of donors, YOUTHSTRONG is off to a strong start.

Our **Music Program** purchased a new Piano for the Houser Branch. Five keyboard kits complete with benches and stands were purchased and are now ready for families to check out for practice at home. Member Paul Olson and his family learned of the Giving Day Campaign and donated their barely used piano to the Dahl Branch, and there were enough Giving Day funds leftover to pay to have the piano moved and tuned and is now in use for lessons.

Y staff are moving forward with plans to create better accessibility in the **Community Food Forest**, with an additional paved area and additional raised accessible garden beds.

The **Y Community Health Worker program** was enhanced with support on Y Giving Day, and as a result, our team is better able to meet the immediate needs of their clients. One example is that during the holidays, our CHWs were able to provide gifts for the children in their caseloads.

The **Y's Food Program** raised funds to replace aging refrigerators at School-Age Care sites, and for supplies for the Mobile Market Food Pantry which was launched in 2022. Two new refrigerators have been purchased so far, and supplies have been purchased to make the Mobile Market Food Pantry run more efficiently. Our Mobile Market Food Pantry operates weekly to meet the needs of our Community Youth Center families and Community Health Worker Clients. During the holidays, 101 care packages were delivered to Y families - a direct result from the generosity of those who supported Y Giving Day.
YMCA operations are based on a mix of earned revenue from membership and program fees and contributed revenue from individuals, corporations, and foundations.

PAST LEADERSHIP

E.E. Bentley | 1883, 1891
George Burton | 1913
Charles Gelatt | 1943

Nancy Quinlisk | 1985, 1994
First Female President

Kenneth Dahl | 1959-61

La Crosse Area Family Y | 2022 Annual Report | laxymca.org
The YMCA (Young Men’s Christian Association) was founded in 1844 by George Williams in London, England. In 1883, the YMCA was founded in La Crosse by local leaders seeking opportunities to create change and foster healthy ideals in a safe environment. The Y was unique because it crossed social and economic boundaries while implementing principles of inclusiveness. We are pleased to honor the community leaders below who have provided leadership to our local Y for the past 140 years.
